Learns to Read

2016

Once there was a monkey.  
His name was Levi JoJo Matthews.

One day, he got a card in the mail.

He opened the card.

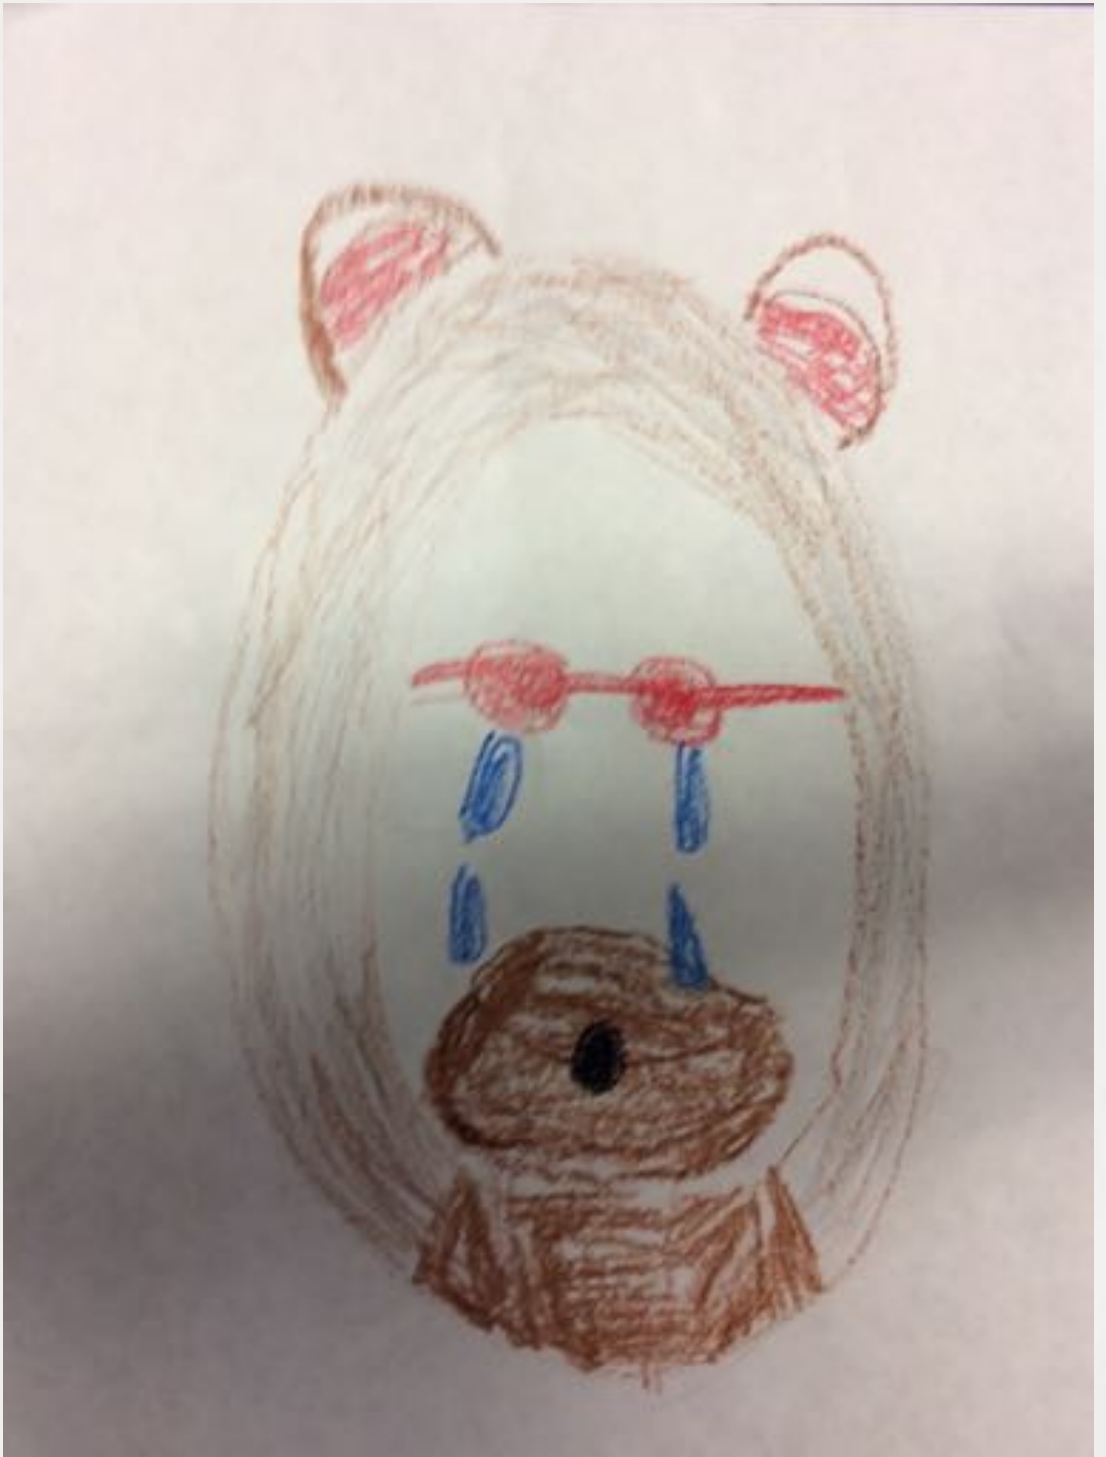

But he couldn't read it.

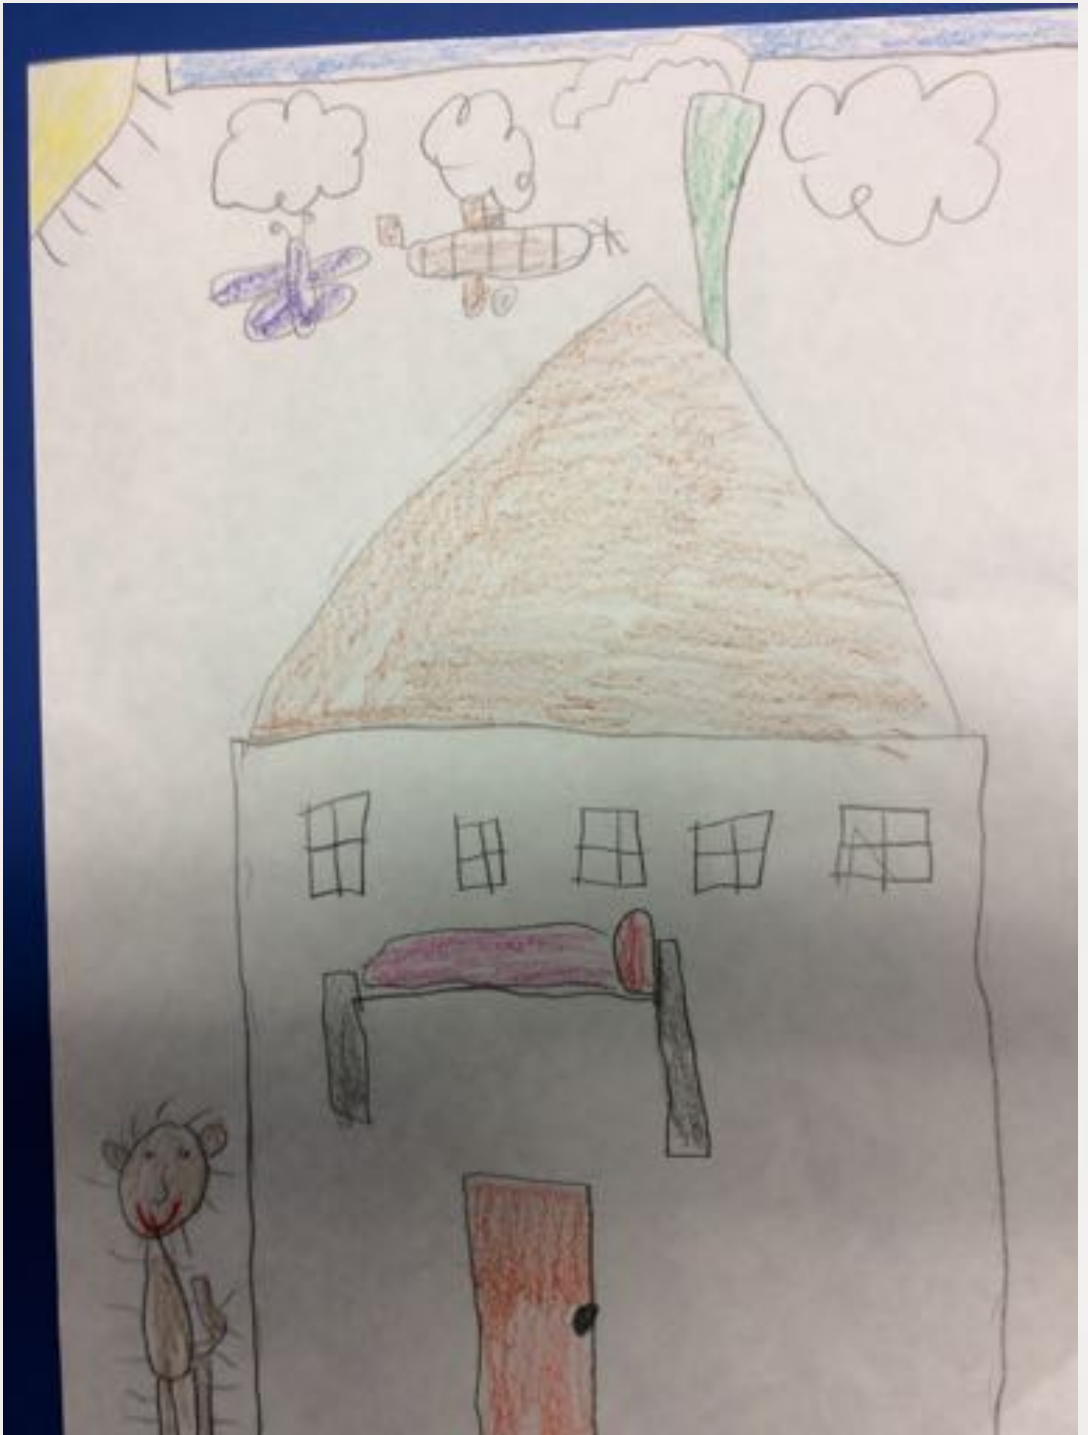

So, he put on his favorite red glasses.

But he still could not read  
the card.

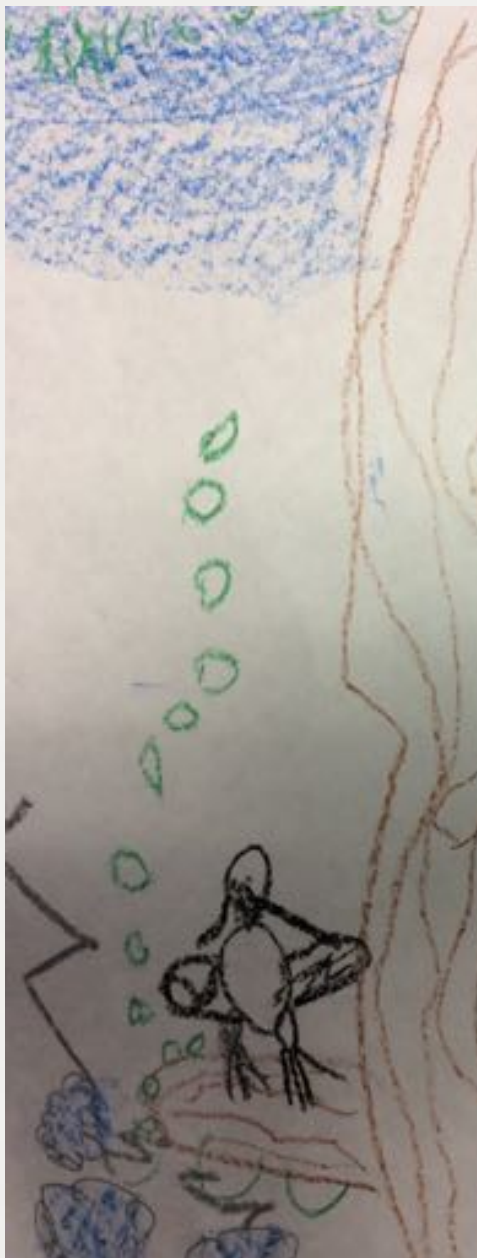

He felt sad.

He went to find help.

He met Victor,  
the vampire bat.

"That is the

In the lower left, there is a green, textured area representing a hill or forest. To the right of this, there is a brown, textured area representing a hill or ground. On the right side of the brown area, there is a stick figure with a yellow face, wearing a red shirt and brown pants, holding a red square object.

He met Lauren the lizard with her lamb,

"That is an L", said
